

**Tissue Viability Leg Ulcer Course Training Dates 2023**

**NHFT - All training should be booked via ESR**

**Practice Nurses – Book through [LearningAndDevelopment@nhft.nhs.uk](mailto:LearningAndDevelopment@nhft.nhs.uk)**

**3-day Leg Ulcer Assessment & Management Course**

- 2 days Leg Ulcer Management & 1 day Wound Management
- Once all 3 days are completed, the nurse is then deemed competent to assess and manage leg ulceration independently
- Wound Management and Compression Bandage sessions can be attended as stand-alone modules. The full 3-day course is for Registered Nurses (RN) only. The Compression session and Wound Management are open to all clinical staff

**Competency Checks (Doppler & Compression)** are arranged via the Tissue Viability Team (dates below).
