THE CT SKILLS DIFFERENCE:

We believe the mental well-being of individuals in and out of the workplace is key to them achieving their full potential. Learning how to address and manage mental health struggles can help in overcoming several barriers to work.

We proudly supply eleven online courses that focus on removing some of these barriers and encourage individuals to have confidence in their learning abilities.

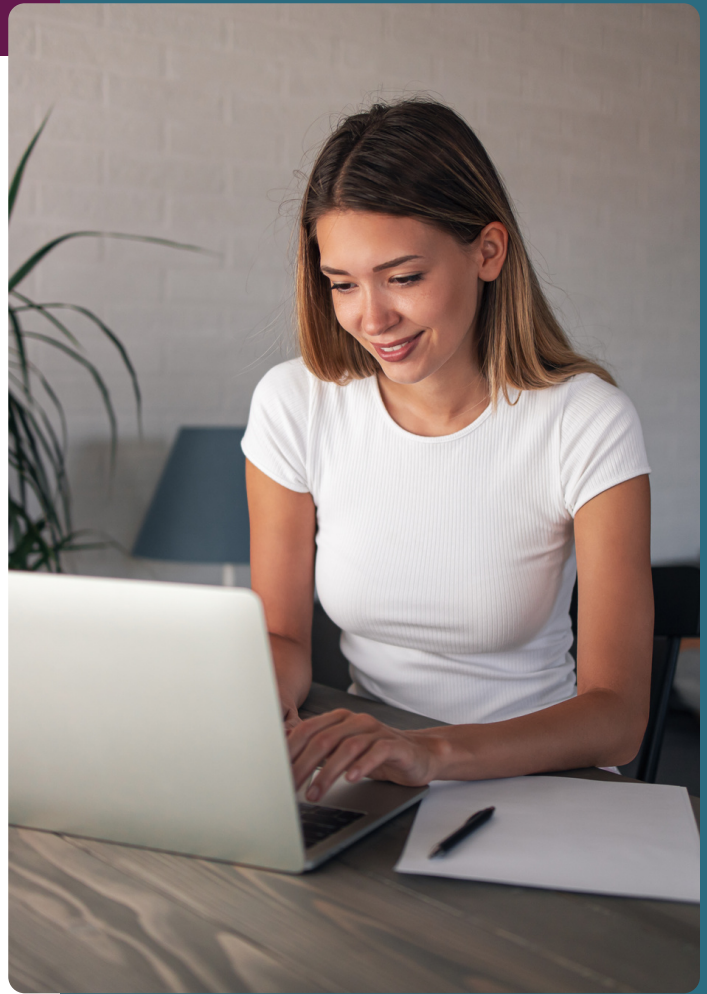

Feedback From Previous Learners:

"The feedback I received from my tutor was motivating, clear and developmental."

"The free online course with CT Skills enabled me to manage my own time and learning, as well as develop the knowledge required."

"My tutor marked my work promptly, provided me with feedback to support my development and comments which praised my work and kept me motivated."

"A great eye opener to gain a better understanding of mental health overall."

GOOD TO KNOW:

- We enrol learners for businesses across the UK.
- Enrolment is all-year round with same-day start.
- All eligible learners are funded by the ESFA.
