

# Flexible Work Opportunities for Nurses in Northamptonshire

12th February 2025

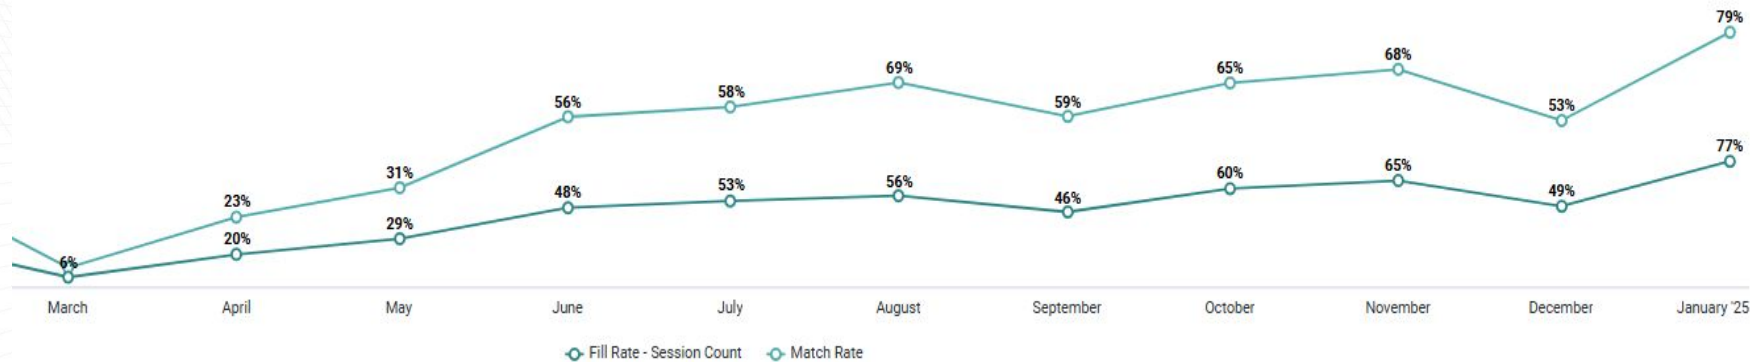

# Introduction to Lantum

- Here at Lantum, we're revolutionising the healthcare workforce. Our mission is to radically improve how the healthcare industry connects with the workforce so that they can provide better patient care together.
- Working in Primary Care since 2012, now the leading platform with over 50% of GP practices across the UK using Lantum

# There are not yet enough locum nurses active to fulfil practice demand in Northamptonshire

Just 13 approved nurses, compared to 119 GPs!

**Why use Lantum?**

\* Lantum

### **Rocketpay**

Next working day payment service

### **Payment automation**

Automated invoices and timesheets

### **Local practice relationships**

Build lasting relationships with local practices

### **App**

On-the-go scheduling on Lantum's free mobile app

### **Flexible work**

Work whenever and how often as you want

### **Matched jobs**

Regular notifications to alert you when there are vacant shifts across local practices

*“Using Lantum has **improved my ability to secure locum shifts** in nearby areas. The platform is **easy to access** and regularly updated. The shift reminders are timely, and the **invoicing process is quick**, with no extra time wasted. I **highly recommend Lantum** to other nurses.”*

Dahaba, Birmingham and Solihull Flexible Pool Practice Nurse

# How to join the Northamptonshire flexible pool?

## Getting started as a Nurse at Lantum is simple

1.

### Sign up

Simply click on the sign up page, add your key details and have your account created instantly

2.

### Upload core documents

Upload your Passport, Enhanced DBS Certificate and CV to become approved within 24 hours\*

3.

### Find work

Once approved, you are able to use the Find Work page instantly to start finding work that fits your schedule

4.

### Get paid the next day

If of interest, look for the Rocketpay logo when you apply for shifts to get paid the next day
